“Beth, you gave my people oxygen.”
Wick Sloane, CFO, University of Hawaii

Creating Resilient Employees & Robust Companies Inspiring Attitude Shifts that Transform Teams to Produce Quality Results

Resilience = Bounce-Back-Ability

Beth Terry will teach your teams the Resilience they need. Beth uplifts, nudges, encourages, and reminds your people of their core strength. She gets to know the audience, laughs with them, expresses their frustrations, and shares solutions to thrive, no matter the challenge. Audiences recognize themselves in her stories and are inspired to find the resilience to keep going.

Beth is funny, substantive, direct, and honest. You know she’s done her homework. She delivers practical, usable information that just makes sense.

Beth Terry, A Catalyst who creates a resilient mindset in your people, keeping you profitable, productive, and results-oriented.

**You'll Love the Results
When You Hire Beth! and...
Your People will be glad you did!**

Eight Reasons to Hire Beth:

1. Audiences remember what Beth says years later because it works and it makes sense.
2. Beth takes complicated ideas & translates them into workable concepts that motivate and inspire.
3. Beth's Sessions are dynamic and entertaining.
4. Beth takes time to know your teams. She relates to their issues and they know it.
5. When your teams are successful, your organization is successful. Beth works with you to make it possible for everyone to succeed. And she makes you look good.
6. Audiences feel like they are in a one-on-one conversation with Beth. She not only inspires, she creates a desire to act.
7. Beth delivers your tough messages with subtlety and grace.
8. Clients call Beth a "High Impact" and "Low Maintenance" speaker. She's easy to work with and hard to forget.

What Clients Are Saying:

"Beth is a fresh and genuine spirit, a warm heart, and a whirlwind communicator with an important message. She speaks to critical human issues that touch ones heart - and more importantly inspire each of us to change. Beth was a featured speaker at two of Bridgeway's annual user conferences and received the highest rating of all of the speakers at each. I very much enjoyed the experience of Beth at our conference and was among the many blessed by her wonderful message and teaching. We will have her back very soon."

Keith Okano, President, Bridgeway Software.

"Beth, you are a resourceful, solution-oriented person and by far the "lowest maintenance" yet "highest Impact" speaker that I have ever worked with. It was extremely gratifying to work with you."

Camille Kimbrough, USDA/NRCS Hawaii

"Beth, you are an Employee Engagement Expert! You consistently score in the top three speakers at our Pacific Emerging Issues Conference, year after year after year. Thank you for your professionalism and your enthusiasm."

Clarence Kuwahara, Association of Govt. Accountants.
